

## Submersible clear water pumps

# SCP 16000 Level Sensor

Help is needed quickly when there has been a spill in the laundry room or the basement has been flooded by a storm, or when it is time to spring-clean swimming pools or ponds. These situations are the domain of Kärcher's powerful, submersible draining pumps which transfer the water to another location in no time at all. Drainage pumps are equipped with a height-adjustable level sensor which reacts immediately to water contact and switches the pump on and off to ensure outstanding reliability.

- Comfortable carry handle
- Optimized union
- Pump starts at low water level
- Changeover normal mode/flat pick-up
- Deaeration at the touch of a button
- Level sensor
- Simple definition of switching level Stufenlos
- Removable stainless steel filter
- Plug switch: ON/OFF/AUTO
- Connecting hose 1 1/4"
- 1" and union nut

**Order number: 1.645-154.0**

|                                      |                 |
|--------------------------------------|-----------------|
| Max. motor rating (W)                | 900             |
| Max. flow rate (l/h)                 | < 16000         |
| Delivery head/pressure, max. (m/bar) | 9/0.9           |
| Max. depth of immersion (m)          | 9               |
| Flat pick-up to a depth of (mm)      | 1               |
| Max. grain size (mm)                 | 5               |
| Delivery temperature, max. (°C)      | 35              |
| Weight without accessories (kg)      | 7.6             |
| Measures (L x W x H) (mm)            | 215x215x385     |
| Connecting thread                    | G1 1/4          |
| Power cord (m)                       | H07RN-F, 10m/11 |

## Adapters / connectors

### Pump adapter including $\frac{1}{2}$ " Check valve, large

Pump adapter with check valve for vacuum-resistant connection of suction hoses to pumps (e.g. garden pumps and high-pressure pumps for domestic use).

**Order number 6.997-418.0**

## Filter

### Prefilter for submersible pumps, large

Removable stainless steel prefilter protects the pump impeller against blockage and ensures reliable operation.

**Order number 6.997-353.0**

## Miscellaneous

### Flat hose set

Flexible flat hose with hose clamp for general use. Ideal for use in flooded areas.

**Order number 6.997-419.0**

## Suction hoses

### Suction hose available in bulk

Vacuum-resistant spiral hose can be cut to length for connection to submersible, garden, submersible pressure pumps and high-pressure pumps.

**Order number 6.997-346.0**

### Suction hose available in bulk

Vacuum-resistant spiral hose can be cut to length for connection to submersible, garden, submersible pressure pumps and high-pressure pumps.

**Order number 6.997-347.0**
